Join Shelley Shultz and Randal Anderson-Hill, your experienced ClearDent and practice management consultants, for an evening focused on:

- ✓ Creating production
- ✓ Optimization of dental office routines
- ✓ Efficient information management & storage
- ✓ RCDSO compliance in electronic information management
- ✓ New methods of patient contact - keep up with the times
- ✓ Q & A - an opportunity to ask what you've been wondering

Attendees will receive 2 free CE credits. We designed the course for dentists and office managers interested in learning what cutting edge software is about and why every office should have it today.
